DISTRICT 44 TAXPAYERS ASKED TO RAISE $331,000 FOR 1966

The annual report for Maine School Administrative District 44, distributed this week, listed $331,000 that is to be raised by the towns of Andover, 20.6%; Bethel, 42.8%; Greenwood, 15.2%; Newry, 5.2%; Woodstock, 16.2%.

The total 1966 school budget is $630,100. Estimated receipts such as State and Federal aid, etc., leaves the amount that the towns must furnish of $331,000.

These five towns in 1965 raised by local taxes an amount of $331,312.

Andover is asked to raise $68,166, up $17,665 over 1965; Bethel, $141,668, down $25,332; Greenwood, $50,312, up $8,181; Newry, $17,212, down $4,023; Woodstock, $53,622, up $5,097.

Each town's share is established by statute based upon each participating municipality's State valuation.

FIREARMS TAKEN IN BREAK AT GILBERT'S TRADING POST LAST FRIDAY MORNING

The Oxford County Sheriff's Department is investigating a break at Gilbert's Trading Post, West Bethel, last Friday morning. Entrance was reportedly through the front store of the establishment.

Sheriff Lester Horton stated that the store is owned by Shirley Gilbert. The arms taken were mostly hunting rifles ranging from 30-06 to .303 caliber models. However, two were M-1 30 caliber semi-automatic carbines. Pistols included were a German 9 MM Luger, a .45 frontier model revolver, and a .38 caliber officer's model revolver.

There were also six holsters and ten cartons of cigarettes taken and considerable ammunition, described as four boxes of 30-30, three boxes of 308's and three boxes of 30-06.

Deputy Alton Howe said that in all 24 guns were stolen and he estimated the worth of $1,923.05 was a "very conservative estimate" of the net worth of the guns.

Law enforcement officers in the northeast are watching for these guns to appear.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Director of the Oxford County Economic Development Department has indicated that there are industries that are interested in locating in Oxford County. The director asked me to prepare a list of buildings that might be available for the location of a new industry. The minimum size building is 3000 square feet of floor space. A building with heat and utilities would be desirable but a lack of these features would not rule it out as a possible location. Although there is not a definite proposal for the location of an industry at present, it would be nice to have a list of possible buildings available to house a new business in the event that it is needed.

All of the offices of the Motor Vehicle Division have extended their office hours for the last part of February. The lengthened office hour day for the Registration offices will start February 14 and they will remain open until 7 p. m. on most days until the end of the month.

There are many persons who can not get to the town office during the day. I will be in the office on Tuesday evening, Feb. 15, from 6:30 p. m. until 9:30 p. m. to receive the excise tax of persons who are not able to get to the office during the day. The daily hours for the town office are as follows: Monday, Tuesday, Thursday and Friday, 9 a. m. to 4:30 p. m. and Wednesday and Saturday from 9:00 a. m. to noon.

The excise tax payments continue ahead of last year. A total of 52 excise tax receipts were made out on Monday of this week. Excise collections through the first week of February 1965 were $3,737.26. Collections through the first week of February this year were $4,538.66.

RYDER NAMED CURRICULUM SUPERVISOR OF S. A. D. NO. 44

The Board of Directors of School Administrative District 44 at their meeting in Andover on Monday evening appointed Ralph Ryder as Curriculum Supervisor for the District. In his new position Mr. Ryder will be directly responsible for supervision of teaching in the whole district and will work with principals and teachers. This position is made possible through the Federal Funds provided by the Elementary and Secondary Education Act.

William Lunt of Hamilton, Mass., was elected to the position of Principal of Bethel Schools. Mr. Lunt is a graduate of Gorham State College. He received his master's degree in education from the University of Maine in 1964, and is completing work at Boston University for a Certificate of Advanced Graduate Study.

Mr. Lunt has had nine years experience as a teacher, principal and supervisor at Sullivan, Presque Isle, Rockland, and Danforth. The past semester he has been studying at Boston University. He comes highly recommended from his previous positions.

Mr. Lunt is married and has two children. Mrs. Lunt is teaching in Hamilton, Mass., and will join him here in the spring.

B. A. D. C. HOLDS EIGHTH ANNUAL MEETING TUESDAY

Thirty members and guests enjoyed a delicious roast beef dinner at the Norseman Inn on Tuesday of this week in advance of the Eighth Annual meeting of the Bethel Area Development Corporation which was presided over by its president, Burton L. Newton.

The scheduled speaker, Norman Temple, was unable to be present because of illness, but he was ably represented by Donald C. Laubenstein of the Central Maine Power Company who discussed power rates in Maine and plans for a new atomic energy generating plant to be located somewhere in the area served by the C. M. P. Co. in the near future.

At the business session of the Corporation, the members re-elected as directors for three year terms: Philip H. Chadbourne, Charles S. Chapin, Richard L. Davis, Burton L. Newton, and Edmond J. Vachon.

The first meeting of the board of directors for the new year was convened immediately following the Corporation meeting. At this session, all of the officers were re-elected as follows: Burton L. Newton, president; Arthur F. Lincoln, vice president; Edmond J. Vachon, treasurer, and Guy P. Butler, secretary. The directors also re-elected Mrs. Harland J. Hutchins and Michael Houlihan as Associate members, and Standish K. Hadlock, Leland B. Bradford, and Sidney W. Dillman as Honorary Members.

It was voted to recommend that all executive [illegible] Bethel Area support the [illegible] organization [illegible] of Bethel Area [illegible] the [illegible] [illegible] matter to the [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] group for the community with officials of the University of Maine who might be seeking information regarding housing or [illegible] prior to advance of the [illegible]

Five Seek to be Queen of Bethel Winter Carnival

Miss Barbara Douglass

Miss Vickie Robertson

Miss Maryvonne Rolfe

These five young ladies will vie for the title of Queen of the second annual Bethel Winter Carnival to be held March 4, 5, and 6.

Sponsored by the Greater Bethel Chamber of Commerce, the Carnival will feature bonfires atop the two area ski slopes, Mt. Abram and Sunday River, a torchlight parade down the slopes of Mt. Abram, and a dance at the Locke Mills town hall, on Friday evening, March 4.

On Saturday, March 5, there will be snowmobile races, family ski races at both areas and the Warren Miller film "Swingin' Skis." Saturday evening Bethel's winter Carnival Queen will be crowned prior to the showing of the film.

On Sunday there will be a free breakfast and church services at both areas, family ski parade and run-off of family ski races at Mt. Abram.

PENOBSCOT COUNTY ATTORNEY TO SEEK SECOND DISTRICT CONGRESS SEAT

Howard M. Foley, of Bangor, presently Penobscot County Attorney, formally announced today that we would seek the Republican nomination for United States Congressman from Maine's Second District.

Howard M. Foley

During his tenure as County Attorney he has had many outstanding cases, including nine homicides, as well as leading successful drives against auto graveyards and obscene magazines.

He also has been a professor of history and government at Husson College for the past 10 years. Mr. Foley was educated in the Bangor public schools, Higgins Classical Institute, graduating from the University of Maine and the University of Virginia Law School. He is on the Board of Trustees of Higgins Classical Institute.

He has been a lifelong resident of Maine. "I revere Maine's past, believe in its future, and live in Maine by choice. I would like to do all that I can to help Maine forge ahead."

CADETTE SCOUTS

We opened our meeting with the promise and laws. Then we talked about our Valentine party for the pre-school children to help finish our challenge. We closed our meeting with our closing circle. —Brenda Tibbetts

THE CHEVROLET WAY

It features a new Strato bucket front seats come standard in Super Sports for relaxing comfort on Caprice.
We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pfft! It all but disappears.
The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.
Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (safe-stop check in back before passing!)

"GOLDEN FLEECING" AT BINGHAM THEATER, FEB. 17

Peter Howard (Lt Howard) will be starred as a modern Jason in the Gould Academy production of "Golden Fleecing," which will be presented on Feb. 17 at 8:00 p. m. in the auditorium. Jason went on an adventurous quest of a golden fleece. But the quest of the modern Jason in this New York comedy carries for a big cast of enemy to operations rather than perilous. The gold he's after is in a pavilion casino in Venice, and the story of the play details his effort to obtain it with a one-two system at roulette.

"Systems" for winning at roulette have, of course been devised again and again all over the world, but never with success. The hero of "Golden Fleecing," however, applies modern science to the problem. His ingenious plan is to feed the wheel's winning figures into a Navy computer, thus spotting its peculiarities and then, after the electronic brain has worked out the probabilities, to bet the limit.

Lt Howard and two other adventurous Navy men all are attached to a guest missile ship anchored in the lagoon at Venice. To use the electronic computer on their ship for their wildcat project, they steal a blinker light from the vessel and set it up on the balcony of a hotel room facing the harbor and then proceed to signal winning-number data in formation to a confederate on the ship by flashing into the casino.

Amid a lot of hilarious confusion the computer system is found to work perfectly and the criminal is confronted in the plot. In the end ethics and propriety are preserved, along with the Navy's honor, by a twist that prevents the modern Jason from stealing the golden fleece.

In addition to Peter Howard as Lt Howard, the cast of the comedy includes Maureen Moore, Bobby Bell, Paco Rabaino, Rick as the casino Cashier, who can Wilson, Jeff Chandler, Anthony Call, Stephen Mallatratt, Robert Call, Stephen Mallatratt, Robert Call, Stephen Mallatratt, Robert
